Application type no longer available

You should not continue with this application as it will be refused by the Local Authority and you may not be eligible for a refund.

If your proposed change of use is now wholly within Use Class E (e.g. from shops; or financial/professional services to offices) then in many cases, an application for prior approval or planning permission will not be required. Please note that any work associated with the change of use may require permission.

If your proposed change of use is from a Sui Generis use (e.g. a takeaway; betting office; or pay day loan shop) then there are now specific permitted development rights to cover changes of use to Use Class E (e.g. offices) that do not require a prior approval application.

If your proposed change of use is from a Launderette then this is no longer considered to be permitted development. Proposals remained eligible if applications of this type were submitted before the end of July 2022, but after that point an application for 'Full planning permission' will be required.
