☐ Yes ☐ No

If you have answered no above, your proposed change of use is not covered by the specific permitted development right to which this form relates. You should not continue this application and seek advice from your Local Planning Authority on the best course of action. Other rights exist for changes of use to dwellings or a state funded school, but require a different prior approval application form. For other changes of use, an application for planning permission will be required.

Was the use of the site on 3 July 2012 (or the last use before that date) solely for an agricultural use as part of an established agricultural unit?

☐ Yes ☐ No

If not, and the site was only brought into use after 3 July 2012, what date was it brought into use solely for an agricultural use as part of an established agricultural unit

(DD/MM/YYYY)

Has the use, as detailed above, been continuous since the date stated; and will that use continue until the proposed development commences?

☐ Yes ☐ No

To be eligible for this permitted development right, the site must have been used as detailed above:

- on 23 July 2012 (or the last use before that date); or
- if brought into use after 23 July 2012, for a period of at least 10 years prior to development commencing.

If this will not be the case, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will the total combined floor space in the building(s) (previously and in this proposal) changed in use under this permitted development right:

- ☐ Not exceed 150 square metres
- ☐ Exceed 150 but not exceed 1000 square metres
- ☐ Exceed 1000 square metres

If the total combined floor space (as detailed above) will:

**- Not exceed 150 square metres**

Your proposals will be below the threshold for the prior approval process. Therefore, you should not continue with this application. However, all the other eligibility criteria will still apply if you want to carry out the proposals under permitted development rights. Additionally, before any change of use on the site, you must provide the following information to the Local Planning Authority:

- The date the site will begin to be used for any of the flexible uses;
- The nature of the use or uses; and
- A plan indicating the site and which buildings have changed use.

Please contact the Local Planning Authority at the relevant time to determine the best way to supply these details.

**- Exceed 1000 square metres**

Your proposals will not be eligible for permitted development based on the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Is any part of the land, site or building:

- in a safety hazard area;
- in a military explosives storage area;
- a scheduled monument (or the site contains one);
- a listed building (or within the curtilage of a listed building).
