

Application for Building Control Approval with Full Plans

The Building Act 1984 (as amended); The Building Regulations 2010 (as amended)

This is the most common type of application and involves the submission of detailed plans for approval. A plan charge is payable on deposit of the application and an inspection charge is payable after the first inspection has been made (some application types only require a fee to be paid on deposit of the application).

This form is for use in Wales only

The information requirements for applications in England are different, and you should instead download the England specific form from: https://ecab.planningportal.co.uk/uploads/buildingcontrol/forms/full-plans_england.pdf

Privacy Notice

This form is provided by Planning Portal and based on the requirements provided by Government for the sole purpose of submitting information to a Local Authority Building Control department in accordance with the legislation detailed on this form.

Please be aware that once you have downloaded this form, Planning Portal will have no access to the form or the data you enter into it. Any subsequent use of this form is solely at your discretion, including the choice to complete and submit it to a Local Authority Building Control department in agreement with the declaration section.

Upon receipt of this form and any supporting information, it is the responsibility of the Local Authority Building Control department to inform you of its obligations in regards to the processing of your application. Please refer to its website for further information on any legal, regulatory and commercial requirements relating to information security and data protection of the information you have provided.

Please ensure that the information you submit is accurate and correct and does not include personal or sensitive information. If you require any further clarification, please contact the Local Authority Building Control department directly.

4. Proposed work

Please describe the proposed work. Any renovation or replacement of a thermal element, change to a building's energy status or material change of use should be detailed.

How many storeys are in the building to which the work relates?

Note: Each basement level counts as one storey

Please provide details of the intended use of the building:

4. Proposed work (continued)

Please provide details of the the provision to be made for the drainage of the building:

Does requirement H4 (Building over sewers) apply to the proposed work? Yes No

Requirement H4 applies only to work carried out:

- (a) over a drain, sewer or disposal main which is shown on any map of sewers; or
- (b) on any site or in such a manner as may result in interference with the use of, or obstruction of the access of any person to, any drain, sewer or disposal main which is shown on any map of sewers.

If yes,

Please provide details of the precautions to be taken in the building over a drain, sewer or disposal main to comply with the requirements:

4. Proposed work (continued)

Does any local enactment apply to the proposed work? Yes No

If yes,

Please provide details of the steps to be taken to comply with any local enactment that applies:

Has planning permission been applied for? Yes No

If yes,

Please state the planning reference number

5. Fire Safety, Public Sewer and Highways

Is it the intention to carry out building work in relation to a building which is, or will be, within the scope of the Regulatory Reform (Fire Safety) Order 2005?

Yes No

Note: With the exception of single family dwelling houses, all buildings are covered by the Regulatory Reform (Fire Safety) Order.

Is there a public sewer within 3m of any proposed extension/detached building?

Yes No Not applicable

Is the building to be erected, located upon a private street as defined in Part XI of the Highways Act 1980 (as amended)?

Yes No Not applicable

6. Electrical Safety

Will any electrical installation work be designed, constructed, inspected and tested in accordance with BS7671 or will it be undertaken by an electrician registered with a competent persons scheme?

Yes No Not applicable

7. Windows and Doors

Does the application include replacement windows/doors?

Yes No

If 'Yes', what windows/doors are you replacing?

Windows/Doors	Number of windows	Number of Doors (only where over 50% glazed)
Front elevation		
Side elevation 1		
Side elevation 2		
Rear elevation		

8. Prescribed Period

Do you agree to the prescribed period being extended from 5 weeks to 8 weeks?

Yes No

Note: Your agreement to extend the period of time for determining your application may assist you if we require amendments/details, to your application

9. Trees

Where a new building or an extension to a building is to be erected, are there any trees within 30 metres of the building?

Yes No Not applicable

Note: Select not applicable if this is not a new building or extension.

10. Party Wall

Work on or close to party walls etc. is controlled by the Party Wall Act 1996. This places a duty on the owner(s) of the building where the work is being carried out to give notice to any affected neighbour(s).

Have you dealt with matters under the Party Wall Act 1996?

Yes No Not applicable

Note: Select 'Not applicable' if there is no party wall.

11. Conditions

Do you agree for the plans to be subjected to conditions where appropriate?

Yes No

12. Declaration

Please check the box to confirm that you understand the declaration.

This submission is made in relation to the building work described, in accordance with Regulation 12(2)(b) of the Building Regulations 2010 (as amended), and is accompanied by the appropriate fee.

I/we understand that in most cases a further charge will be payable following the first inspection by the building control body.
